Rec Sports celebrates this year's participants with a cookout and ceremony

Wellness & Recreation : Monday May 2, 2022

Georgia College's Rec Sports athletes celebrated the close of a huge year with a cookout and ceremony last week.

"We wanted to celebrate the hard work and dedication of our students," said Drew Bruton, associate director of Wellness and Recreation. "Most of these students had their year cut short a couple

of years ago and last year did not get to participate in a traditional setting due to COVID. Because of that, we wanted to make sure they knew we appreciated their effort throughout the school year with a celebration."

Both club and intramural sports teams and individual players were recognized for their outstanding efforts this year. Many teams finished the season ranked in the region and some even placed nationally.

GC's Club Baseball team currently ranks 5th in the nation. The Bass Fishing team is 16th and the Clay Target Team qualified for the national tournament.

Men's Ultimate Frisbee finished third in the region and tennis was fourth.

Men's and Women's Lacrosse and Wakeboarding were added this year as club sports.

Club Sports are registered student organizations (RSO's) that compete against other universities around the country in recreational activities.

For intramurals, more than 2,000 students participated in more than 4,000 games this year.

"An interesting fact for Georgia College, we have a 50% split rate of females versus males who participate in intramurals," Bruton said. "The national average is about 93% male."

The Women's Flag Football team was state champions and finished third in the National Flag Football Tournament.

Men's Flag Football was also state champions and placed second at the National Flag Football Tournament.

The Men's Basketball team finished second in the region, while the women's team placed fourth.

Several students were recognized for their individual accomplishments in Rec Sports:

- Female Club Athlete of the Year Olivia Dumas Club Tennis
- Male Club Athlete of the Year Noah Campbell Bass Fishing
- Club Sports Team of the Year Bass Fishing
- Meggie Hudson All-State MVP Intramural Women's Flag Football
- DeLayne Rotolo- All-State Player- Intramural Women's Flag Football
- Ann Jones All-American Flag Football Player Top 7 player in the country
- Brice Davis All-State MVP-Intramural Men's Flag Football
- Josh Hammond All-State Player-Intramural Men's Flag Football
- Brice Davis All-American Flag Football Player Top 7 player in the country
- Josh Hammond All-American Flag Football Player Top 7 player in the country
- Austin Sloan All-Region Team-Intramural Men's Basketball
- Jackson Baylark All-Region Team–Intramural Men's Basketball
- DeLayne Rotolo All-Region Team—Intramural Women's Basketball
- Claire Messer-Freshman Female Athlete of the Year
- Eli Fritchman- Freshman Male Athlete of the Year
- DeLayne Rotolo- Female Athlete of the Year
- Brice Davis- Male Athlete of the Year -
- Future Parents Intramural Team of the Year

Fulbright Fridays

National Scholarships Office at Georgia College : Wednesday May 4, 2022

Are you interested in applying for a Fulbright Scholarship to research, study, or teach abroad after graduation? If so, you'll want to get started working on your application this summer, as the campus deadline is August 30.

To get you started, the National Scholarships Office is offering a series of zoom based workshops to help you develop drafts of personal statements, statements of grant purpose, and other shorter

statements required in the application. On Fridays from noon to one between May 13 and June 3, you can tune in from wherever you are to work on your drafts. Applicants can pick and choose from workshops - whether you come to all or just one, you'll be one step closer to a competitive application!

Applicants can sign up to attend workshops here.

Interested in learning more about Fulbright? Check out<u>the website</u> and then set up an appointment with Anna Whiteside (Anna.whiteside@gcsu.edu/ 478-445-8598). As a reminder, GC alumni are eligible to apply for Fulbright Scholarships through Georgia College - once a bobcat, always a bobcat!

End of Term Email Information – PLEASE READ!

Information Technology : Wednesday May 4, 2022

Bobcats,

As you wind down the semester with final exams, your Information Technology team wants to provide you with some helpful information regarding your email accounts.

Tip 1 – Change your password before you leave!

As you may be aware, you are required to change your password every 180 days. Unless you have recently changed your password, it may expire over the summer. In many cases, students over the summer do not check email regularly, missing reminders about the password expiration. The result is locked email accounts. So when you re-engage in the Fall, you are unable to get to your email. To help prevent this from happening, we recommend that you change your password mid-May, after you get your grade report. Then your passwords will expire when you are likely to be back at school or are checking your email on a more regular basis.

Tip 2 – Graduating or leaving GC?

Congratulations to those who are graduating! For you and others who may not be returning to GC, please remember that you will be able to continue using your Bobcats email account until May 2023. At that time, your accounts will be inactivated and deleted. We will remind you before this happens, but here are some proactive steps to take.

Tip 3 - If you want to take it when you go, do not use your Bobcats email account!

Do not use your student email account for any personal activities such as logins to websites or apps, multi-factor authentication (MFA) pushes that are not associated with the university, store/business accounts, etc. Remember that your email account is temporary, used only while you are a student here. So, if you want to take the account or information with you when you leave GC, use a personal email account.

Tip 4 – Get a personal email account!

If you do not already have a personal email account, you should have one. We do NOT recommend that you use an Internet Service Provider (ISP) email like windstream.com, spectrum.com, att.com, etc. If you ever move off that ISP, you will lose your account. Stick with generic accounts like Google (gmail.com) or Microsoft (outlook.com).

We hope these tips will help. Have a safe and enjoyable summer! For those coming back, we look forward to seeing you in the Summer or Fall semesters. For those graduating or leaving GC, we wish you the best as you go!

A Return to the Self: Subjectivity, the Body, and the Social Rupture in Anuk Arudpragasam's The Story of a Brief Marriage: A special talk with Dana Maller

Philosophy Religion & Liberal Studies, Department of : Friday May 6, 2022

This lecture examines Anuk Arudpragasm's debut novel The Story of a Brief Marriage as a lens for exploring subjectivity in instances of extreme social rupture. Dinesh, a refugee of the Sri Lankan civil war and the novel's protagonist, develops complex, shifting relationships with his environment, objects, other refugees, and himself--all of which culminate in a transformative experience centered on the body and one's own relation and conception of the self-formed by sensory experience and pleasure. This lecture explores what avenues of subjective experience and subject formation are available and attractive to those in instances of extreme social rupture and how relationality--between objects, subjects, and one's body and oneself--are crucial components to developing and exploring our understanding of this question.

Grant Award Announcement from the Sandra Dunagan Deal Center for Early Language and Literacy: Sustaining the Basics to Empower Communities in Georgia through Collective Impact Grant Initiative

Center for Early Language & Literacy : Friday May 6, 2022

The Sandra Dunagan Deal Center for Early Language and Literacy and the Get Georgia Reading Campaign are pleased to release the grant awardees for the 2022 Collective Impact Grant initiative. The

purpose of this initiative is to improve the early language and literacy skills of Georgia's children, by sustaining community coalitions to increase early language and literacy access, professional learning, awareness, and education. The Deal Center will continue to invest in communities that use the collective impact framework to address at least three of the four pillars of the Get Georgia Reading Campaign: Language Nutrition, Access, Positive Learning Climate, and Teacher Preparation and Effectiveness by using The Basics principles and strategies to support social, emotional, and cognitive development of children from birth to age 3.

The recipients of the 2022 Empowering Communities through Collective Impact Grant Initiative: Sustaining The Basics to Communities in Georgia will receive up to \$10,000 to support implementation of The Basics principles and strategies and engage with the BLN. The ten (10) awardees are as follows:

- Advocates for Children, Bartow County
- Cobb Collaborative
- Cook County Family Connection
- Early County Family Connection
- Glynn County Family Connection
- Lumpkin Literacy
- Quitman County Family Connection
- Troup County Family Connection
- The University of West Georgia COE Early Learning Center
- United Way of Central Georgia

The Basics was founded in 2016 by Dr. Ronald Ferguson, director of the Harvard Achievement Gap Institute (AGI). Originally called The Boston Basics, it has expanded from a citywide effort to an international coalition of more than three-dozen communities, now called The Basics Learning Network (BLN). Dr. Ferguson's approach, grounded in the latest research in early childhood learning, brain development, behavioral science, and community change, represents a strategy for whole communities to support vibrant learning and brain development among infants and toddlers. The Basics principles and strategies are simple, powerful, and highly accessible, equipped with a Community Toolkit that provides a rich constellation of implementation guides, videos, and written resources for organizations and staff members to inform and support parents and caregivers around their use. Additionally, collaboration between members of the BLN engages partners with an ongoing research agenda, promoting documentation, evaluation, and ongoing communication for continuous learning and improvement.

The vision of the Deal Center's Collective Impact Grant initiative is that all children growing up in communities in Georgia have access to strong systems of family, community, and educational support in early language and literacy development so that they can be successful in school, the workforce, and life. Through a partnership between The Deal Center and the United Way of the Chattahoochee Valley under the 2019 Collective Impact Grant Initiative, Columbus became the first community in Georgia to adopt The Basics in May 2019. The partnership with and funding from The Deal Center has propelled growth, cross-sector collaboration, and implementation of The Basics Chattahoochee Valley. The Basics Chattahoochee Valley will again be partnering with The Deal Center during the 2022 Collective Impact Grant to provide technical support and thought partnership as we expand The Basics across Georgia.

The 2022 Collective Impact Grant initiative will bolster the educational and developmental outcomes of Georgia's children in our most distressed communities and enhance community capacity by providing funding for the BLN of Georgia to sustain the great work they started in 2021. Additionally, each of the original BLN of Georgia communities will be required to mentor new community organizations as they join the Basics Learning Network and begin implementing The Basics principles and strategy.

Adding DUO on single sign-on systems

Information Technology : Tuesday May 10, 2022

Please note that all USG institutions, including Georgia College and State University, are adding multi-factor authentication to the systems where we are using single sign-on to increase the security around our campus environments. Soon we'll also be required to go through DUO authentication at every place where we're using our Unify credentials to log in. Most will not notice the change, except that where we require user name and password will now also prompt for DUO authentication. Over the summer we'll be adding DUO into the login sequence of many systems that you're familiar with, including:

The 2021-2022 academic year concluded with the spring commencement ceremony on Saturday, so the time is fitting to circulate and annual <u>Honors College Newsletter</u>. Please peruse it via the embedded link. Our students, faculty, and supporters have been busy over the last ten months, and exciting initiatives—like the National Collegiate Honors Council's conference in Dallas—are on the horizon as we look to the future. Thank you each for being such faithful members of the Honors community.

Special thanks are also extended to Honors Student Assistant Milligan Williams, who edited this year's newsletter. Milligan is among our new graduates and was recognized on Saturday as one of the university's valedictorians. She did an outstanding job with the layout and stories. Thank you, Milligan!

Please allow me to extend my gratitude as well to GCSU colleagues Brooks Hinton, Victoria Fowler, and Joshua Smith, who assisted with the final production stages for the newsletter.

CTL Workshop: Respondus LockDown Browser & Monitor

Center for Teaching & Learning : Wednesday May 11, 2022

Join us for a session on Respondus LockDown Browser and Monitor, used to prevent cheating during an exam administered in GeorgiaVIEW. Participants will see Respondus from both the student and faculty perspective.

Respondus LockDown Browser® is a custom browser that locks down the testing environment within GeorgiaVIEW to prevent cheating during exams. LockDown Browser prevents access to other applications, including messaging and screen-sharing. Right-click options, keyboard shortcuts, and copy/pasting functionalities are disabled during the exam attempt. Students cannot exit the quiz until their attempt has been submitted.

Respondus Monitor, used in conjunction with LockDown Browser, allows students to take online assessments from a remote location, while ensuring the integrity of the exam process. Students use a webcam to record themselves during an online exam. Afterward, flagged events and proctoring results are available to the instructor for further review. Alternatively, instructors may choose the live proctoring option available through Monitor to proctor a quiz during a live session of a third-party conferencing tool like Webex or Zoom.

Respondus LockDown Browser and Monitor are easy to set up and use for quizzes in GeorgiaVIEW. Students must download the Respondus software to attempt a quiz that requires LockDown Browser.

This workshop will take place virtually on May 13 at 10 a.m. The link to attend will be sent out to registrants the morning of the workshop.

Upcoming Fiscal Year-End Deadlines

Finance & Administration : Wednesday May 11, 2022

As a reminder of the closing out of the Fiscal Year 2022, please be aware of the upcoming deadlines, which are necessary to guarantee that transactions are properly executed and financials are appropriately reported.

UPCOMING CRITICAL DEADLINES

Purchase Order cutoff dates:

- May 13, 2022 Non-contract requisitions between \$25,000 and \$100,000
- June 2, 2022 Requisitions up to \$25,000, state or agency contract purchases for any amount.

e-Procurement will not allow requisitions to be entered after June 2, 2022. Requisitions must be entered before 5 pm on June 2, 2022, in order to be processed. Requisitions must also be approved and have a valid budget check by the dates above in order to provide adequate time for processing. If you have any questions concerning whether items are non-contract or contract, please contact the Purchasing staff at 478-445-4458.

P-Card cutoff dates:

- May 27, 2022 All P-Card transactions occurring between April 28, 2022, through May 27, 2022, must be allocated and signed off by cardholders and approvers in Works. P-Card purchases after this date will not be included in the FY 2022 budget. This cutoff will help ensure that all transactions posted on or before this date are posted to your FY 2022 budgets. There may be circumstances where a transaction is delayed and does not post until after the above date. In those cases, the charge will be posted against your FY 2023 budget. You can continue to use your card after the above date with the understanding that those charges will be posted against your FY 2023 budget.
- June 10, 2022 Signed P-card statements with receipts and approvals are due in the Purchasing Department by 5 pm.

Accounting Services cutoff dates:

- June 17, 2022 Travel and Travel Encumbrance deadlines. For questions on year-end travel, please call Omega at 478-445-1178 or email her at omega.hedgepeth@gcsu.edu.
- June 10, 2022 All petty cash requests for reimbursements are due to Accounting by 5 pm.
- June 10, 2022 Last day to submit online check requests (i.e., registrations, memberships, direct billings for hotel/car rental, hotel prepayments, refunds, food

items, Sodexo invoices, etc.), that are needed before July 14, 2022.

• June 22, 2022 – Approved paper travel expense statements (for non-employee, encumbered, or international travel) are due by 5 pm.

Payroll fiscal year-end notice:

 June 11, 2022 – Any hours submitted after June 11, 2022, for Non-Benefitted Temporary Employees (students, casual labor, hourly rehired retirees) will be posted to the FY 2023 budget. Please keep this in mind for any employees working during the June 12 – June 30, 2022 pay period.

Please use the following contact list for additional information or clarification:

CTL Workshop: Developing Student Critical Thinking Through Higher-Order Questioning

Center for Teaching & Learning : Wednesday May 11, 2022

Research has shown that Higher-Order Questions (HOQs) require advanced cognitive demand and help students develop critical thinking skills. Higher-Order Questions (HOQs) are questions students cannot answer with a yes or no response or provide information quoted from a textbook. Instructors can use HOQs to help students build critical thinking skills. This session explores creating higher-order questions for students using AAC&U's Critical Thinking Rubric as an integral component. Session materials will help you develop a set of content-specific questions to use with your students to help them build questioning patterns that lead to thinking critically.

This workshop will be hosted virtually on June 1, at 12 noon. Registrants will be sent the link to attend on the morning of the workshop.

Work Order / Maintenance Requests:

Facilities Management : Friday May 13, 2022

Dear Campus Community,

In order to prepare for the fall semester, our Facilities Management team will be working hard to complete housing turnover and configure facilities in support of the broader return of faculty and students. As in prior-years, we anticipate a significant surge in volume of work requests that has customarily challenged our facilities craftsmen as students and faculty re-occupy resident halls and offices. During this time, we request your patience as we work through this seasonally high operations tempo and request you submit work requests as early as possible ahead of the broader reopening in August. Also, please be advised that requests to hang items such as pictures, whiteboards, televisions, bulletin boards, etc., are necessarily handled as lower priority during this time.

Thanks again for your patience and understanding

WRC Pools Closed Due to Mechanical Failure - Centennial Center Pool Open For Student and WRC Member Use

Wellness & Recreation : Friday May 13, 2022

The Wellness and Recreation Center pools are closed for an undetermined length of time due to a mechanical failure. In an effort to minimize the inconvenience to GC Students and paying members of the WRC, the Centennial Center pool has been opened for their use.

Centennial Center pool usage restrictions will be the same as if patrons were using the WRC pools. At this time, access to the Centennial Center pool is limited to current GC Students with their valid Bobcat ID, and current faculty/staff or community members of the Wellness and Recreation Center only. Pool hours are Monday through Friday, from 8:00 a.m. - 1:00 p.m. and from 5:00 p.m. - 6:45 p.m.

The remainder of the Wellness and Recreation Center will continue normal summer operations. WRC hours are Monday - Friday from 8:00 a.m. - 7:00 p.m. Memberships are available to GC faculty and staff and members of the community age 18 and older. For more information regarding memberships, please call us at (478) 445-7777.

The WRC would like to thank our pool patrons in advance for their cooperation and understanding. Additional information will be made available as we learn more.

CTL Workshop - Technology Tools to Enhance Student Engagement

Center for Teaching & Learning : Monday May 16, 2022

Join us for a session on using technology tools to enhance student engagement. In this workshop, participants will be introduced to some of our favorite technology tools that can be used in the academic environment. Incorporating selective technological applications allows for students to engage in problem-solving activities, and discussions, and promotes higher-order thinking. Participants will learn about Powtoon, Canva, and BookCreator, and how both faculty and students can use these tools to promote learning.

This workshop will be hosted virtually on June 15 at 2 p.m. Registrants will be sent the link to attend on the morning of the workshop.

Deadline for PWI is May 20

The <u>Proposal Writing Institute</u> (PWI) will bring together faculty and administrators interested in preparing proposals for submission to external funding agencies. PWI will take place July 14-18, 2022 at the University of Wisconsin-Parkside and is facilitated by Paula Dehn Ph.D. The multi-day institute will consist of one-on-one work with a mentor, writing, smallgroup discussions, and critiquing of proposals. The institute has been developed to assist novice to experienced proposal writers in drafting complete and competitive proposals for submission.

Have You Seen April's President's Quarterly?

In the midst of NCUR 2022, we released the latest edition of the CUR President's Quarterly. From the executive board to CUR members, these messages will keep the undergraduate research community aware of the information, events, news, publications, and happenings of CUR. <u>Watch the video here>></u>

What an Amazing April!

<u>NCUR 2022</u> was April 4-8. This year over 2,600 scholars presented their undergraduate research! There were over 3,200 in attendance and 70 exhibitors in this year's Future Fair. A very special thank you to Dr. Buffie Longmire-Avital for opening and closing the conference.

Next, Undergraduate Research Week ran April 18-22. Over 25 institutions posted to our page the various ceremonies, symposia, and celebrations they were hosting. Several hundred joined us on Twitter using <u>#URW2022</u> to share their gratitude for UR and stories of their success because of UR. On April 21, we hosted the CUR Spring Celebration Ceremony, where we honored our Fellows, AURA, CUR-Goldwater Mentor, and Arts and Humanities Mentor awardees. <u>Watch the Celebration>></u>

Finally, April 26-27 was <u>Posters on the Hill</u>, a critical element in CUR's advocacy efforts. 60 presentations were selected from over 170 applications. These 60 presentations represent 88 students from 59 institutes, 32 states, across all divisions. Posters on the Hill 2022 had several hundred in attendance. <u>Meet the Researchers here>></u>

CUR Election Results

We are excited to announce George Mason University's Dr. Bethany Usher was elected as 2023-24 CUR President. Congratulations as well to the newly elected representatives to the 2022-23 Executive Board: Dr. Beth A. Cunningham, Dr. Maria Iacullo-Bird, Dr. Kelly Mack, and Dr. Charlotte K. Simmons. Additional congratulations to the 75 new or re-elected division councilors to the CUR General Council. <u>Read the Press Releases>></u>

Nominations for the 2022 AURA Awards are Open

CUR's Campus-Wide Award for Undergraduate Research Accomplishments (AURA) recognizes all types of higher education institutions that have successfully implemented some or all of CUR's Characteristics of Excellence in Undergraduate Research, have devised exemplary programs to provide high-quality research experiences to undergraduates, and have evaluated the success of these programs. A letter of intent summarizing the institution's commitment to undergraduate research and highlighting a specific high-quality exemplary program is required and is due by July 25. Specifics on the Nomination Process can be found here>>

Reminder -- TRS: Pre-Retirement Workshop on Campus Today, 5/17 at 3:00 PM, Registration Open

Human Resources, Office of : Tuesday May 17, 2022

TRS will be visiting Georgia College today, May 17, 2022, for an on-site, in-person Pre-Retirement Workshop. You must register for this event in order to attend, and space is limited!

*Members who are not within 5 years of retirement will not be allowed to sign up; this is a TRS regulation.

This will be a general information session for those interested in learning about retirement; information regarding one-on-one, in-person consultations with a TRS representative will be shared in the near future.

Event details can be found in the attached flyer, but are noted below:

- Time: 3 4:00 PM
- Location: Kilpatrick Education Center, Peabody Auditorium

To register, follow these easy steps:

- 1. Visit <u>https://trsga.org/Login/Login</u>
- 2. Click on Account Login link in the upper navigation bar.
- 3. Select "Active Member" and proceed to the Account Login page.
- 4. Register for and/or log in to your TRS account

5. Click on Register for an Event . Choose Statewide Events, then choose BALDWIN County or enter Zip Code 31061.

6. Pick the event and time of your choice. You will receive an automatic email confirmation upon your successful registration

If retirement is within reach for you (that means within 5 years!), it's time to get serious about learning about it. This workshop will provide you with the information and resources you need to help you map out your retirement plan. To learn more about this & other Pre-Retirement events, go to <u>www.trsga.com</u>. Click on "Events", then click on Pre Retirement in the calendar navigation key.

If you experience issues logging in to your TRSGA account, please call the TRS Call Center directly at (404) 352-6500; the Office of Human Resources does not have access to this information and cannot assist with this.

Elevated Alert - High electric pricing - consumption reduction measures

Sustainability, Office of : Thursday May 19, 2022

GC is on Elevated Alert status as higher temperatures result in increased electric pricing above the normal operating price effective May 19th – 20th.

The campus community is urged to reduce/eliminate usage of all non-essential lighting and equipment especially during the peak hours of 2 p.m. to 4 p.m. Please do not just turn off, unplug everything not pertinent for use.

If you have access to windows, use the natural light. Turn lights off when you leave your office. Unplug computers, monitors, printers, copier machines, lab instruments, appliances and other equipment as you leave for the day. All of these activities will help tremendously.

The Office of Sustainability and the Department of Facilities Management would like to thank everyone for your cooperation and understanding in this matter. We urge you to assist with communications by passing this information along to the campus community. If you have comments or questions, please do not hesitate to call/email the following contacts:

Honors College Newsletter

Honors College : Friday May 20, 2022

The 2021-2022 academic year concluded with the recent spring commencement ceremony, so the time is fitting to circulate the annual <u>Honors College Newsletter</u>. Please peruse it via the embedded link. Our students, faculty, and supporters have been busy over the last ten months, and exciting initiatives—like the National Collegiate Honors Council's conference in Dallas—are on the horizon as we look to the future.

Special thanks are also extended to Honors Student Assistant Milligan Williams, who edited this year's newsletter. Milligan is among our new graduates and was recognized at commencement as one of the university's valedictorians. She did an outstanding job with the layout and stories. Thank you, Milligan!

Please allow me to extend my gratitude as well to GCSU colleagues Brooks Hinton, Victoria Fowler, and Joshua Smith, who assisted with the final production stages for the newsletter.

Best wishes for a wonderful summer season!

2022 Bringing the Basics Back to the Communities in Georgia Collective Impact Grant Awardees

Center for Early Language & Literacy : Thursday May 26, 2022

The Sandra Dunagan Deal Center for Early Language and Literacy and Get Georgia Reading Campaign are pleased to announce the grant awardees for the 2022 Empowering Communities through

Collective Impact Grant Initiative: Bringing The Basics to Communities in Georgia. The purpose of this initiative is to improve the early language and literacy skills of Georgia's children by creating community coalitions to increase early language and literacy access, professional learning, awareness, and education. The Deal Center is investing in communities that use the collective impact framework to address at least three of the four pillars of the Get Georgia Reading Campaign: Language Nutrition, Access, Positive Learning Climate, and Teacher Preparation and Effectiveness by implementing The Basics principles and strategies to support social, emotional, and cognitive development of children from birth to age 3.

The recipients of the 2022 Empowering Communities through Collective Impact Grant Initiative: Bringing The Basics to Communities in Georgia will receive up to \$25,000 to support implementation of The Basics principles and strategies and engage with The Basics Learning Network (BLN). The five (5) awardees are as follows:

- Lee County Family Connection
- Cobb and Douglas Public Health
- Meriwether County Family Connection
- United Way of Hall County
- Boys and Girls Club of Southeast Georgia

The Basics was founded in 2016 by Dr. Ronald Ferguson, director of the Harvard Achievement Gap Institute (AGI). Originally called The Boston Basics, it has expanded from a citywide effort to an international coalition of more than three-dozen communities, now called the BLN. Dr. Ferguson's approach, grounded in the latest research in early childhood learning, brain development, behavioral science, and community change, represents a strategy for whole communities to support vibrant learning and brain development among infants and toddlers. The Basics principles and strategies are simple, powerful, and highly accessible, equipped with a Community Toolkit that provides a rich constellation of implementation guides, videos, and written resources for organizations and staff members to inform and support parents and caregivers around their use. Additionally, collaboration between members of the BLN engages partners with an ongoing research agenda, promoting documentation, evaluation, and ongoing communication for continuous learning and improvement. Through a partnership between The Deal Center and the United Way of the Chattahoochee Valley under the 2019 Collective Impact Grant Initiative, Columbus became the first community in Georgia to adopt The Basics in May 2019. Under the vision of Columbus 2025, the regional strategic plan, these efforts were expanded in 2020 with operating support provided by the Community Endowment Funds of the Community Foundation of the Chattahoochee Valley and backbone support by the United Way of the Chattahoochee Valley. The partnership with and funding from The Deal Center has propelled growth, crosssector collaboration, and implementation of The Basics Chattahoochee Valley. The Basics Chattahoochee Valley will again be partnering with The Deal Center during the 2022 Collective Impact Grant to provide technical support and thought partnership as we expand The Basics across Georgia.
