## Deadline for Foundation and Alumni payment requests

University Advancement : Monday June 6, 2022

As we near the end of the fiscal year, please keep in mind the following cut-off date for "Check Requests for Foundation or Alumni Funds"

ALL payment requests must be received in our office by 12 p.m., Wednesday, June 22nd, for the check run scheduled on Friday, June 24th. In the event that you have any FINAL invoices past that date in June, we will process a final check run of Fiscal Year 2022 on Thursday, June 30th.

**IMPORTANT:** In working towards recording all expenditures for Fiscal Year 2022 for the Foundation and/or Alumni, if you have NOT received an invoice and you did order, please provide me with the vendor name, amount, and date of ordering. We will do our "accounting due diligence" to ensure it is properly recorded in the fiscal year 2022. The recording of these expenses are necessary to show a true picture of fiscal year expenses for the auditors prior to their review in July as it is critical in reporting the expenses in that period.

Thank you for your assistance in meeting these deadlines. If you should need any further information, please do not hesitate to contact Ashley Banks (8736 or [Ashley.Banks@gcsu.edu](mailto:Ashley.Banks@gcsu.edu) ).

# Georgia College & State University welcomes Angie Woodham as Director of Continuing and Professional Education

School of Continuing and Professional Studies : Monday June 6, 2022

Georgia College & State University welcomes Angie Woodham as the Director of Continuing and Professional Education.

Angie, a native Floridian, earned her Bachelor's in Sociology from the University of Florida and her Master of Science in Higher Education from Florida State University.

"Angie has years of program and curriculum development experience that will guide Continuing and Professional Education's programming in an innovative and collaborative direction," said Angela Criscoe, Interim Executive Director for the School of Continuing and Professional Studies.

After a brief stint at the University of Wisconsin-Stevens Point as a Residence Hall Director, Angie spent the last 22 years at the University of Florida in student facing administrative roles. Her most recent role at the University of Florida involved the creation of their Doctor of Business Administration Program and the coordination of a summer certificate program for non-business doctorate holders who wanted to bridge into teaching at business schools. Angie grew the DBA Program from the ground up to its current status as a thriving professional doctorate with 80+ graduates who now teach all over the country.

"She is joining us during our busiest season, so she gets to hit the ground running with the daily activities of our successful Kids' U and Athletic summer camps. I'm looking forward to working with her as we explore and develop programs in Continuing and Professional Education that will serve individuals, businesses, and communities looking for professional development, workforce training, and short form certificate programs," said Criscoe.

Angie and Troy, with their son Braden and fur kids, will be living in Monticello to be near their close-knit family and look forward to all the fun and adventure that middle Georgia has to offer.

Angie started at Georgia College on June 1st.

# Observance of Juneteenth Holiday

Finance & Administration : Thursday June 16, 2022

Please let this serve as a reminder that GCSU will observe the June 19th holiday (Juneteenth) on Monday, June 20th.

During this year's session, the General Assembly passed House Bill 1335, such that upon the Governor's signature, state law would now require 13 paid holidays per year to include Juneteenth. State agencies that already provide for 12 official paid holidays will be required to update their compliance to 13 official paid holidays. The current and future Holiday Calendars for Georgia College & State University have been updated to reflect the recent decisions made by the Board of Regents to add this additional paid holiday.

The current 2022 calendar is attached below and can also be found at the following link: <https://www.gcsu.edu/humanresources/holiday>

# High Alert: GC under exceedingly high electric pricing

Sustainability, Office of : Thursday June 16, 2022

GC is on High Alert status as higher temperatures result in peak electricity demand that significantly impacts pricing (\$.60+ per kilowatt hour above the normal operating price of \$.06). Georgia Power advises this status will remain in effect this week with persistent high alerts anticipated through the remainder of the summer months.

The campus community is urged shut down all nonessential lighting during the peak hours of 1 p.m. to 8 p.m. At your discretion, consider unplugging any equipment you deem as nonessential.

If you have access to windows, use the natural light. When not using natural light, close window blinds. Turn lights off when you leave your office. Keep temperatures to 75 degrees F. All of these measures will help tremendously.

The Office of Sustainability and the Department of Facilities Management would like to thank everyone for your cooperation and understanding in this matter. We urge you to assist with communications by passing this information along to the campus community. If you have comments or questions, please do not hesitate to call/email the following contacts:

# Aquino Named Men's Hoops Head Coach - Press Conference Thursday Morning

Athletics : Wednesday June 22, 2022

Georgia College Director of Athletics Wendell Staton announced the promotion of Ryan Aquino to head coach of Bobcat Men's Basketball Tuesday.

Aquino is the eighth head coach in GC Men's Basketball history, and the first Bobcat alumnus to take the reins of GC's Men's Basketball program. He will address Bobcat Nation for the first time as head coach in a welcome and press conference Thursday, June 23 at 9:30 a.m. in the Centennial Center. The event is free and open to the public.

"I am thrilled that Ryan Aquino will be leading our Men's Basketball program," said Staton. "As our search committee led us through an intense and thorough process, Ryan rose to the top of an outstanding candidate pool. Ryan has a clear and outstanding record of recruiting holistically successful student-athletes to Georgia College. From recruiting to game management, from camps to student-athlete relationships, he has been an integral part of the outstanding culture within our Men's Basketball program. Ryan's impact is felt throughout our program as he knows, lives and exudes the Georgia College culture."

"This is not just a job for Ryan, it's the destination for him. Ryan will continue to elevate every facet of our program. He is loyal, dependable and the ultimate team player who is always ready to assist. I am excited about his vision for our program, and I have complete trust in Ryan to take our program to even greater heights in the classroom, in the community and on the court."

Serving as assistant coach and head recruiting coordinator for eight seasons at GC, he helped guide the team to a 115-99 record during that timeframe, including an appearance in the 2021-22 NCAA Tournament. He also spent the 2013-14 season as a graduate assistant coach for the Bobcats.

"I am thrilled to be named head coach for the Georgia College Men's Basketball program," said Aquino. "Given the opportunity to not only start my head coaching career, but to do so at my alma mater, is an incredible feeling. I would like to thank President Cathy Cox, Athletic Director Wendell Staton and the search committee for putting their trust in me to lead this program. I'm also excited to start this new chapter specifically with the high-quality character of our current student-athletes."

Aquino helped coach Bobcat student-athletes to 10 All-Peach Belt Conference (PBC) honors in his career, including All-Region status for both [Jordan Thomas](#) and Terrell Harris. Harris was also an All-American and PBC Player of the Year in 2016-17.

Consistent with the well-rounded nature of Georgia College students, Aquino has been assistant coach for all three of the program's Elite-16 Awards, including [Brandon Thomas](#) winning his second-straight this past year. The team has also won the PBC Team Sportsmanship Award four times in his eight seasons, and once when he was on the roster in 2008-09.

Prior to rejoining his alma mater on the sideline, Aquino was a professional player in Germany. In the collegiate ranks he was well decorated, earning a spot in the Reese's Senior All-Star Game, and All-Southeast Region First Team honors from both the National Association of Basketball Coaches (NABC) and Daktronics. Aquino was the only player in the PBC to average a double-double his senior season, earning 2011-12 All-PBC First Team as well.

Aquino is a two-time GC alumnus, adding a Master's in Instructional Technology in 2015.

# New Contract Request Process

Information Technology : Monday June 27, 2022

Over the past several months, the Office of Legal Affairs and the Office of Information Technology have undertaken an effort to update and improve the electronic process for submission, review, and signature of university contracts. This update is to notify you of these changes.

We have implemented changes to our software so that our authorized contract signers' signature appears on the Georgia College & State University signature block. We have also added a legal stamp for final versions of contracts signifying that the legal office has reviewed and approved the document as to its form. Finally, we have inserted departmental/supervisory approval points earlier in the process so that relevant stakeholders have a more opportune time to weigh in as to contracts that have been proposed.

Another set of changes derives from the University System of Georgia's Business Procedure Manual requirements. All contracts involving IT software or hardware now will have an addendum that specifies the vendor's requirements to meet specific information security compliance measures, dependent upon the classification of data involved. And because of our now enhanced information security vetting, please allow for some additional processing time for contracts involving significant amounts of data.

Finally, we wanted to take this opportunity to reinforce a few basic contract items for all institutional contracts:

- Revisions to proposed contracts are to be expected, please allow time accordingly for changes
- Our legal name on all contracts and signature lines is as follows - "Board of Regents of the University System of Georgia by and on behalf of Georgia College & State University"
- Only the persons listed in the Delegation of Authority Memorandum from President Cox (attached) may legally sign a contract for Georgia College & State University
- Please submit contracts unsigned by either party. If there are signatures, we will need to return them to the submitter
- Legal Affairs may negotiate with the other entity/vendor to come to an agreement if needed. Please include the vendor contact information in your submission

The purpose of these reminders is to reinforce the Board of Regents policies and legal standards for agreements. If you have been told differently in the past, please note that there are reasons we are making these adjustments. One of our main goals is to make this process easier on the campus community and our vendors. Please feel free to call the Office of Legal Affairs or the Office of Information Technology for further explanations or any questions you may have on this process.

Thank you for your continued work on Georgia College & State University contracts.

Sincerely,

Brett Montroy, General Counsel
