## VSFS (Virtual Student Federal Service) is offering 955 virtual internships for U.S. citizen college students for 2021-2022

Career Center : Friday July 2, 2021

The Virtual Student Federal Service (VSFS), hosted by the U.S. Department of State is the LARGEST and longest-running remote/virtual internship program in the world. A record breaking 955 virtual internships for U.S. citizen college students during the 2021-2022 school year are being offered this year. The 50 participating federal agencies plan to work with nearly 3,000 interns. The internships are academic-year-long experiences working remotely from wherever you are. Students are being encouraged to #ApplyinJuly. The VSFS vacancy announcement is open July 1st - July 31st on the USAJOBS.gov website. During that time, students may find the listing by searching for "VSFS" or "Virtual Student Federal Service" on USAJOBS. Students may apply to up to three projects.

Students will develop apps, design graphics, manage social media, conduct research, and more. Time commitments per week average around 10 hours from September through May. The internships are unpaid. For a list of all internships this year, click here: <https://vsfs.state.gov/projects>

For more information, sessions will be held on July 2, 9, and 16 at 3:00 PM EST. The first 250 students can join the session on Google Meets (dial 617-675-4444 PIN: 988 398 004 3155 or <https://meet.google.com/kno-rerw-ifv> ) and everyone can watch on [facebook.com/VSFSatState](https://facebook.com/VSFSatState) . If there is more demand, another session may be offered on July 23rd. A video will be created for students who are unable to attend the info sessions. For more information visit their social media sites at @VSFSatState and LinkedIn: usdos-vsfs.
