Georgia Adopt-a-Stream monitoring: You can make a positive impact

Academic Outreach : Tuesday February 4, 2025

Looking for something to show you care on Valentine's Day? Join us for some stream monitoring! Join us Friday, Feb. 14, for chemical monitoring of several streams that run through or impact Georgia College & State University:

- Champion Creek at Lake Laurel (9 - 10 a.m.) at Georgia College's East Campus
- Tobler Creek at Andalusia Farm (10:30 a.m. - 12 p.m.)
- Tanyard Creek by College Station (2:30 - 3:30 p.m.)

No experience necessary. Be sure to wear closed-toed shoes that can get wet. We will use Georgia Adopt-a-Stream methods to test temperature, dissolved oxygen, conductivity and pH of the streams, all while enjoying the beauty of Georgia College & State University! Can't make it this time? No worries. We monitor monthly, so check back for more opportunities.

This is a GCSU Thirst for Knowledge event.

"Some Interesting Numbers Around Us" - Mini Math Talk - Wednesday, Feb. 19, at 5 p.m.

Chemistry, Physics, & Mathematics, Department of : Monday February 10, 2025

Please join the Department of Mathematics for a Mini Math Talk, "Some Interesting Numbers Around Us" given by Dr. Guy Biyogmam on Wednesday, Feb. 19, 5 - 5:30 p.m. in A&S 138. Mini math talks are 20-30 minute presentations about any topic related to math. No math background is required, and all are welcome! Snacks will be provided.

Here is the abstract of the presentation:

Numbers are probably the most important tools of our daily lives. Though one may not tell which ones are the most important, it is clear to most mathematicians that some of them are more "interesting than others," due to their history, how they link to various amazing mathematical facts or their mysterious connection with nature. In this talk, we will review some of these numbers, with a particular attention to one of the most interesting classes of numbers: The Fibonacci numbers. This talk will be accessible to all undergraduate students.

TAP Application deadline for summer 2025 is today, April 15

Human Resources, Office of : Thursday February 13, 2025

The University System of Georgia has established an educational assistance program called the Tuition Assistance Program. The purpose of TAP is to foster the professional growth and development of its eligible employees.

The Tuition Assistance Program Application deadline for summer 2025 is today, Tuesday, April 15, 2025. TAP will waive up to nine (9) credit hours for the semester. Please visit the USG's TAP webpage at <https://benefits.usg.edu/work-life/tuition-assistance-program> to locate the systemwide TAP Application, Graduate Student Tax Waiver Form (for graduate students only) and to reference the TAP Policy and FAQ if needed.

Reminder: Graduate students are encouraged to submit a Graduate Student Tax Waiver Form with their TAP Application each semester, meaning a total of two forms may be required for all graduate students. The USG has stated that it is a suggested best practice for all graduate students to submit the Graduate Tax Waiver Form each semester with their TAP Application.

Employee ID# vs. Student ID#

The USG has specifically requested that institutions remind all TAP applicants that there are two required IDs located at the top of the TAP application - an employee ID# and a student ID#. These fields cannot be left blank. If TAP Applications and/or Graduate Tax Waivers are submitted with missing or incorrect information, they will be returned to the applicant for correction.

- As an employee of Georgia College & State University, your employee ID# is your OneUSG Employee ID#. You can locate this number by logging into OneUSG and clicking on the "Personal Details" tile on the home page. After the Personal Details page opens, you will find your

employee ID# in the top left corner of the screen under your name and job title.

- Your student ID# is assigned by your teaching institution (where you will be enrolled in classes). If you are taking classes at Georgia College & State University, this will be your 911#. Please contact your teaching institution if you need assistance identifying the appropriate student ID#.

Email completed TAP applications and Graduate Tax Waiver Forms (if applicable) to benefits@gcsu.edu by 5 p.m. today, Tuesday, April 15, 2025, for summer 2025 consideration.
