Are you aware of the unique diversity that you add to our community? At Georgia College we respect and celebrate each other, so that all may feel welcome. Sometimes the transition to college for those that are deemed "different" is not so pleasant and can even be scary. Join us for an matinee to watch the feature film, "Mooz-lum" directed by Qasam Basir, about a new first-year student and his transition to his new community that offers both acceptance and resistance based upon his background. Then join us for a conversation with the Director of the film, Qasim Basir at 6:00 PM! It's an opportunity you don't want to miss. Get a jumpstart on learning how "U" are essential to our inclusive CommUnity! Hosted by the Cultural Center and Office of Inclusive Excellence.
