SIGNING CELEBRATION: Family and coaches congratulate West Laurens center fielder Halley Nobles on signing to become a Georgia College Bobcat during a ceremony this past Monday/CLAY REYNOLDS

West Laurens star center fielder Halley Nobles will be heading to the next level as a Georgia College Bobcat. The senior, a starter on four consecutive Raider teams to win region titles and leadoff hitter for the last two, made her decision to join GCSU official during a signing ceremony Monday afternoon.

Nobles' reliable glove and bat were both cornerstones in the latest chapter of the West Laurens softball dynasty, which was dotted with memorable highlights typically showcasing her vast range in center field, and consistent hitting and base running at the top of the lineup. She was a part of squads that won both fast and slow pitch state championships her sophomore season in 2022 and 23, and for the latter, had a diving catch for the final out in the clinching game of the state tournament.
