

# New Campus Parking Plan

To reduce congestion in high-demand areas and improve parking for all students, faculty and staff, Georgia College & State University will implement the first phase of a new parking plan this fall.

Two levels of parking permits will be available to employees, each listed as follows (lot options and their corresponding costs are illustrated in the attached map):

A \$240 parking permit grants access to all employee-designated lots.

A \$50 permit grants access to the Irwin Street parking lot.
