SHOP WITH A BOBCAT

Join us in making this Christmas special for children in Baldwin County!

The School of Continuing and Professional Studies invites your student organization to sponsor a child and their family for Christmas! We will travel together by bus to our local Walmart where your group will take the child Christmas shopping to buy gifts for themselves and their family members. We will return to campus for the child to tour the Old Governor's Mansion, wrap gifts, and make a holiday craft. After that, the child will get to go home with their gifts as well as their craft and donated hygiene items.
