INSTRUCTIONS for Questions 1-4 below: Please answer the following questions thoroughly. Responses must be well written, provide significant and relevant details, and address all key factors of the four questions. Please type each of your answers on a separate page in a Word® document and submit them as attachments along with this application to gcsog@gcsu.edu. Answer must be no more than 750 words for each question.

1) Why is sustainability important to you?
2) What have you learned about your role in environmental sustainability while at GC through your involvement in environmental science certificate courses, and/or environmental science club membership, and/or while serving on the GC Sustainability Council (includes GC Shades of Green as it is under the umbrella of GC Sustainability Council), and/or while serving on the GC Sustainability Fee Program?
3) In what ways have you displayed leadership in environmental sustainability?
4) Where do you see yourself in the future as to your personal or professional role in sustainability?

Please turn the page over and continue

NOTE: Applications and responses to the above questions will be blind reviewed by the Internal Boards of the GC Shades of Green. Final selections will be made prior to the end of the fall semester each year. The status of the final decision for an individual's application will be sent to each of those applying separately by the end of the fall semester. The funds will be available the first week of the spring semester.

By completing and signing this application, you acknowledge that all of the information provided in this application and its attachments are true.
