Head Women's Basketball Coach

 Murfreesboro, NC

Dear Members of the Hiring Committee,

I am writing to express my interest in the Head Women's Basketball Coach position at Georgia College & State University. Over the past several years, I have led the Chowan University women's basketball program to consistent success, even while working with one of the lowest budgets in the country. My ability to maximize resources and talent has resulted in four consecutive winning seasons, including multiple 18+ win seasons, and three Conference Carolinas Semi-Final appearances.

In the 2024-2025 season, I led the team to its first-ever WBCA Top 25 ranking and achieved top 5 national rankings in both rebounding and team defense for three straight years (2023-2025). I've also helped develop numerous All-Conference players, including the 2023 Defensive Player of the Year. These achievements highlight my ability to compete at a high level while developing student-athletes on and off the court.

I am excited about the opportunity to bring my passion for leading and learning to Georgia College & State, and I look forward to discussing how my vision can contribute to your program's continued growth and success.

Thank you for considering my application.

Sincerely,
Lenise Stallings [Frazier]
