

WE ARE HIRING

Join our Team!

About Us:

The Sandra Dunagan Deal Center for Early Language and Literacy, located on the campus of Georgia College & State University, was founded in 2017 as a statewide center of excellence for the promotion of research and evidence based practices for early language and literacy. We serve Georgia families, communities and educators in childcare centers, pre-schools and K-3 classrooms. The Deal Center conducts research and evaluation, community outreach and professional development to improve early language and literacy outcomes for children and families to increase 3rd grade literacy rates in Georgia.

Learning Opportunities:

- Managing social media platforms
- Creating print collateral
- Marketing virtual & in person events
- Assisting with annual Governor's Summit
- Enhance your business administrative skills
- Strengthen your team building skills
- Access to online trainings

Position Available:

The Student Assistant performs a variety of support duties through close interaction with the Administrative Team, Program Team, and Research Team staff and faculty as needed, and with other departments or organizations. The duties and responsibilities of this position require interpersonal and clerical skills and an understanding of effective customer service. Additional Preferred Qualifications: social media experience with website design, maintenance, media postings, and experience with event planning.
