

**Course Fee Review Committee
Meeting Summary
March 5, 2024**

The Committee met and reviewed proposed Course Fee changes and additions. The Committee reviewed fees for:

Arts & Sciences

ARTS 2650, 3631, 3635, 4630, 4981, and 4982 – all represent courses being converted from Special Topics to course for the Graphic Design major. All proposed fees (\$80 per course) represent fees that had been previously approved for the special topics course. All fees were approved with the request for an explicit list of materials covered by the fees.

ISCI 2001 – request for a removal of the existing lab fee. Approved with no discussion.

BIOL 6130 and 6140 – A request for a new lab fee for both courses (\$50 each) was approved.

College of Health Sciences

NRSG 7100, 7110, 7120, and 7200 – A request for new fees (\$100 per course) was approved after discussion of what the course fees would cover. With the approval came a request to make what the fees covered explicit in the paperwork for future reference.
