

THE WRITING CENTER ASSISTS STUDENTS BY...

- ✓ Supporting students as they **brainstorm** and generate ideas
- ✓ Being a **sounding board** for students frustrated or confused by the writing process
- ✓ Giving insight into how to **organize and structure** ideas during the drafting stage
- ✓ Providing suggestions and **guidance** during the revision stage
- ✓ **Assisting** students with **issues** relating to formatting, punctuation, grammar, and citations

The Writing Center supports writers throughout their Georgia College & State University academic experience. It is available for all GCSU students to find one-on-one assistance with their writing projects at any stage of the writing and communication process. Writing consultants can assist undergraduate and graduate students in person, virtually, and asynchronously via email feedback.
