"THE GOOD BODY" BOOK CLUB

Join the Women's Center & LGBTQ+ Programs for a discussion of the book "The Good Body" by Eve Ensler, on Wednesday, February 16, and Wednesday, February 23 from 5:30-6:30. This event is centered around discussing and developing an understanding of how our self-perceptions are influenced by things like generational body trauma, fatphobia, diet culture, and more.

"The Good Body" Book club will meet on two separate occasions. We ask that everyone attending already has read the book...don't worry it's a short read! There are nine copies available at the Women's Center for pick up and there is one copy at the GC library. During our first meeting, we will initiate several activities related to the book and send you home with some takeaways to reflect on. During the second meeting, we will discuss key takeaways restorative justice style!! While it is not necessary to attend both meetings, we think it would be the most beneficial. If you're interested, please fill out this form https://bit.ly/TheGoodBody

S.T.A.R. ALLY TRAINING FOR THE SPRING SEMESTER!

LGBTQ+ Programs has two more in-person S.T.A.R. Ally training for the Spring semester! (Friday, February 25, 2-5:30 p.m., and Monday, March 28th, 5-8:30).
Please register here: https://bit.ly/gcstarspr22

The S.T.A.R. Ally (Support, Teach, Affirm, Respect; previously known as Safe Space) program advances one of Georgia College's guiding principles of "instilling respect for human diversity and individuality" by affirming people of all sexual and gender identities and lessening the prejudice that limits the university experience, and well-being of LGBTQ+ identified students, faculty, staff, facility members, and administrators.

The overarching goals of S.T.A.R. Ally training are to increase participants' awareness and knowledge of LGBTQ+ people's identities and experiences and provide the skills to be an ally for the LGBTQ+ community at Georgia College and beyond.

Please note: these training will be held in person and masks are strongly encouraged. S.T.A.R. Ally training cannot be made mandatory training for any individual or group. If you are interested in having your organization or group trained, don't hesitate to contact the LGBTQ+ Programs Coordinator to discuss your needs.

Additionally, individuals who identify as LGBTQ+ are welcome and invited to attend S.T.A.R. Ally, however, some of the activities and content covered may be challenging for members of the LGBTQ+ community, especially those who have had negative experiences related to their identity previously. Please reach out to melissa.gerrior@gcsu.edu if you have further questions or concerns.
